Hello!

My name is Imran.

I am 22 years old this year.

I am from Selangor.

I live in Puchong.

These are my friends.

I take the LRT to school every day.

My hobbies are playing volleyball and listening to music.

I play volleyball in the park every weekend.

I listen to music at home every evening.

My volleyball was bought for RM58, it's very cheap.

My headphones were bought for RM80, they are very pretty. I got a discount when I bought them.

That's all. Thank you! Goodbye!
