Experiences

Mathematics Tutor

06/2022 - 01/2023

Kumon Kinrara BK5 | Bandar Kinrara, Puchong

- Assisted students in completing worksheets and guided them through their learning process.
- Supported the center with marking, organizing materials, and maintaining a positive learning environment.

Banquet Worker and Waiter

03/2021 - 06/2021

Espira Kinrara | Bandar Kinrara, Puchong

- Assisted in setting up banquet halls, serving food and beverages during events, and ensuring guest satisfaction.
- Worked closely with the kitchen and service team to maintain smooth operations.

Projects

Final Year Project

<https://github.com/mohamadimranjiwa/fypcollabor8/>

Final Year Project FYPCollabor8 - Final Year Project Diploma Management System

- Developed a centralized web-based system to manage Final Year Projects for diploma students at UniKL MIIT using HTML, CSS, JavaScript, PHP, MySQL, and Bootstrap.
- The system enables students to submit deliverables, schedule meetings, and track progress, allows lecturers to monitor and evaluate work, and helps coordinators efficiently manage users and assessments.

Social Media Designer

<https://www.behance.net/gallery/230690669/hikaristoremy>

hikaristore.my – Top-up Store Service (*Inactive*)

- Designed and updated Instagram posts to promote top-up services using consistent, brand-aligned layouts.
- Created new pricelist visuals and promotional content to improve clarity and attract gamer audiences.
- Maintained visual consistency across over 40 Instagram posts, contributing to trust and page growth.

Extracurricular Activities

MLBB Celestial Arena UniKL X OPPO

Head of Media

- Led the Media Team as a Head of Media in managing content creation, task delegation, and execution throughout the event.
- Designed and published promotional Instagram posts to attract visitors and boost audience engagement.
- Actively participated during the event to capture real-time photos and videos of players, games, and spectators.
- Adapted and redesigned graphics and visual content on the spot after each match to reflect updated draft and game score.

Top Coders 2025 by Data Science Association Malaysia

Participant

- Competed in Python-based algorithmic challenges, ranked 13th out of 19 groups.
